The Airport Liftshare scheme can match your journey to and from work with other employees who have similar work patterns. By Liftsharing you can cut the cost of travel, reduce the stress of driving and means you can park closer to the office! With over 10,000 employees at Stansted we are bound to find someone you can Liftshare with.

STEP 3

Share – Saving hundreds of pounds a year!

HOW DO I CREATE OR JOIN A BUDI TEAM?

- Search for someone to share with by clicking on the 'search' button next to your journey on the home page.
- Send a 'request to share' message to a member that you would like to share with. Click 'find out more', then 'Contact' to 'send a request to share' message or 'Phone member' to view the telephone number.
- Already have a car-share partner but need to register your journey through the system? Follow the same process and find the person you share with from the list of matches. If you can't find the person you share with; at the end of your potential matches there is an option to 'Find member'; selecting this will allow you to enter your friend's email address.
- Having found a match, update your sharing status. Go to 'contacts', confirm who you share with and set up a **BUDI** team when prompted or if a **BUDI** team already exists for that member, you will be given the option to be added to that team.

Make sure you register your journey and create a **BUDI** team to receive your membership card and access to discounts.

FREQUENTLY ASKED QUESTIONS

1. Do I need a car to car-share?

No, many people are happy to offer lifts in exchange for sharing the fuel costs. You can register your journey as 'seeking a lift' if you do not have a car.

2. How safe is car-sharing?

We have made our website as secure as we can. All member's details are stored securely in the database and only the members intended travel information can be accessed by other members. Every member is responsible for his or her own safety. However we do recommend that members follow some simple security measures outlined below:

- Avoid exchanging home addresses with your travelling companion before you meet them.
- Arrange to meet within the terminal or Atrium of Enterprise House.
- Inform a friend or family member of who you will be travelling with, when and to where.
- Make sure you see each other's IDs – passports, student cards or driving licences – so you know you're travelling with the right person.

You are under no obligation to go ahead with any car-share arrangement. If you have any doubts about your travelling companion, for any reason, then you don't have to travel with them.

3. Will my e-mail address be visible to other users?

No, your email address is kept hidden and not shown to other members anywhere on the site. Messages are sent and received via the messaging centre on our website.
